AMERICAN LEAGUE

Boston, April 28.—The Red Sox threw a scare into the Highlanders in the final inning of yesterday's game when they scored two runs and had a man on third base, with two out. At this point Wilson was called to the bench by Stallings and Quinn took his place on the mound when it was seen that Spencer was going to bat for Ar-lanes. Then came a confab between Manager Lake and Capt. Gessler which resulted in Spencer stepping down in favor of Wolter, the hard hitting southpaw who promptly struck out, and New York won the game 4 to 3. The score: Boston, 0 0 0 0 0 1 0 2—3; New York, 0 0 0 4 0 0 0 0—3. Batteries:—Moran, Cicotte, Arrelanes and Carrigan; Wilson, Quinn and Kleinow.

Chicago, April 28.—The White Sox defeated the St. Louis Browns in the third game of the series by the score of 1 to 0. This is the first game that Chicago has defeated St. Louis by the score of 1-0. Hitting on both sides was light, the pitchers being very effective with men on bases. The score: Chicago, 0 0 0 0 0 0 0 1—1; St. Louis, 0 0 0 0 0 0 0 0—0. Batteries:—White and Sullivan; Waddell and Criger.

NATIONAL LEAGUE

New York, April 28.—The Giants played their worst game of the season yesterday losing to the Boston 10-0. The day was cloudy and cold, but it did not seem to affect the play of the Doves. The Giants used three pitchers, Ames, Durham and Waller, but they could not stem the tide of defeat. For Boston Ferguson served 'em up allowing only two hits. Boston played an errorless game while McGraw's men contributed seven. The score: New York, 0 0 0 3 0 1 2 2—10; Boston, 10-0. Batteries:—Ferguson and Smith; Ames, Durham, Waller and Schlie.

Philadelphia, April 28.—Bunched hits off Bell, together with a missed third strike which was really a wild pitch enabled the Philadelphia to take the second game from the Brooklyn yesterday by a score of 3 to 2. Although the cold and threatening weather kept the attendance down, those who did brave the chills of the unreasonable atmosphere had plenty to keep them worked up until the last man was out. Both Hummel and Dooten were put out of the game for disputing the umpire's decisions. The score: Philadelphia, 0 0 1 2 0 0 0 3—6; Brooklyn, 0 0 0 0 1 0 1 0—2. Batteries:—Covaleski and Dooten and Jacklich; Bell and Bergen.

St. Louis, April 28.—Pittsburgh won the second game of the series yesterday from the Cardinals 7 to 6. Vic Willis was knocked off the slab by St. Louis in the fourth inning. The score: Pittsburgh, 0 1 0 4 0 0 2 0—13; St. Louis, 6-7.

OUR BOWLERS TIE HARTFORD FOR 2ND PLACE

Jimmy Watt in Fine Fettle is Big Factor in Park City's Strong Finish.

Bridgeport on the home alleys made an exceptionally strong finish in the State League bowling race last evening by taking two games from the champions and also succeeding in breaking the high game record of the league by rolling a 1,080 score in the opening encounter. In the first string every man but one rolled better than 200 except Musante who fell but one pin behind the mark. New Haven had little difficulty in winning the second game. The rubber was very exciting as it summed down to a contest between the two league leaders, Johnson and Watt. Johnson annexed one more pin than Jimmy but it was not enough to take the string which went to Bridgeport by one pin. Watt by his excellent rolling secured the high three string total and high single for the evening, besides capturing the high individual honors for the season. Bridgeport by winning two strings is tied up with Hartford for second place. The scores:

BRIDGEPORT.			
Lewis	212	180	198-570
Musante	199	137	192-529
Benson	225	158	177-529

Johnson	188	185	193-563
Totals	891	951	934-2773

Waterbury forfeited the first game to Meriden in the latter city last evening by failing to show up on time. The second game went to the Brass City while the rubber went to Meriden. The scores:

Waterbury	877	767-1645
Meriden	840	826-1666

Hartford by winning two games from Bristol is tied with Bridgeport for second place, necessitating a roll off for the honors. Williams' single of 223 was high for the evening. Porter of Bristol had high totals of 580. The scores:

Hartford	975	965	837-2747
Bristol	858	839	945-2636

FLASHES FROM THE FIELD DANDY DIAMOND DOINGS

New Britains are being entertained at Newfield Park to-day.

Wow—Sixteen bases on balls.

George Bannan is leaning up against the ball, and straightening 'em out the way he did before he went to the East-erns.

Guess "Dusty" Miller is not there with the wallop this year. Three two-baggers on Saturday and a homer yesterday.

Bridgeport is surely some fielding team. Three games played in the throes of a cold wave and only four errors made. Classy—Eh! What?

The Goddess of Luck is still pursuing Waterbury. Again in the ninth inning yesterday they had a batting rally and won out. They have played three games so far and all have been won on grand finishes.

If the weather is warmer to-day Manager O'Rourke will use McCarthy in the box. Mac has not been worked very much this season because of the cold, but when he was sent into the box he showed that he has the quality.

Fred Wrinkler with his slugging band of Papermakers will be the attraction at Newfield Park to-morrow. In the line up will include the old Orator backstop Beaumont, Cy Perkins at third, Cosy Dolan in center, Kid McCormack at short stop and a number of other well known ball players.

Yesterday was no day for the pitchers of the losing team as the visitors pounded them at will. Batting averages were accordingly fattened.

What's in a name. Who is this Steinhouser playing in right field for the Orators. His box score looks good with three trips to the bat, one run, one hit and three put outs.

Manager O'Rourke has shown that he is not to have a good team. So far he has secured men that have bolstered up all the weak spots except right field. Mitchell was secured from Newark but did not show much class. It now remains to be seen what the young man with the Hoboken-Milwaukee name will do.

"Hal" Chase will rejoin his Yankee teammates on May 3. In honor of the event, Manager Stallings has decided to call that day "Hal Chase Day."

Roger Brennan is out of the game with internal injuries received in the game with Pittsburgh on Monday. During his absence his place will be filled by Eddie Phelps formerly with the Danbury team in the old State League.

Pete Wilson, with Hartford last season, pitched his team to victory yesterday against the Boston Americans. Manager Stallings yanked him out in the ninth, when things looked dangerous and sent Quinn in to finish the round. The victory will be credited to Wilson.

"Red" Waller was sent in in the ninth inning of the Boston-New York

game to shut off the flow of runs that the Doves were sending over the pan, but the red man was not equal, two more tallies being added to the total of 8, while New York was gathering in a bunch of lonesomes. Red allowed three hits, which with two errors gave the runs. He covered himself with glory, however, by stopping a hot liner and completing a double play.

Chicago, April 28.—Carl Lundgren, the veteran Cubs pitcher, will soon bid his team-mates good-bye, but not of his own accord. President Murphy and Manager Chance have wired the president of the National committee to ask the other seven National League clubs for waivers on Lundgren. It is possible that Lundgren will be claimed by some other National Club at the waiver price of \$1,500. Lundgren has been with the Cubs since 1901.

INDUSTRIAL LEAGUE MEETING; SEASON TO OPEN MAY 15

Joseph Hoadley, president of the American & British Mfg. company, of this city yesterday called Manager Benjamin Coles of the baseball team representing that factory into his office and presented him with a check for \$100 to be used for the suits and other paraphernalia for the team. Mr. Hoadley assured Manager Coles that the company would give also \$50 for the procuring of bases, home plates and a collection going on in the factory for a number of weeks and about \$15 has been collected. The American & British team are in the Industrial league, this being their first season in that organization.

The fact of the presentation was received at the meeting of the Industrial League held last evening at the Y. M. C. A. with President E. T. Buckingham in the chair. At the business session a few changes were decided upon to strengthen the constitution, while the secretary and treasurer were appointed as a committee to arrange for the procuring of bases, home plates and foul flags for the baseball fields. The next meeting will be Tuesday evening, May 11, at the Y. M. C. A., which will be the final before the opening of the season May 15.

BRIDGEPORTS BADLY BEATEN BY HOLYOKE

BASEBALL—SPORTS

Holyoke, Apr. 28.—Jim O'Rourke sent in two of his young recruits against Bridgeport yesterday and between them they gave sixteen bases on balls, and ten hits allowing the Papermakers to make fourteen runs. Pollard the first of the Orator pitchers was yanked out in the second after giving five free passes in succession. Powell relieved him, but he was not much better. When the inning closed Holyoke had annexed six runs. They went themselves one better in the third getting seven runs. After the third Powell pitched good ball, not a run being allowed to the Holyokes. Bannan led at batting with three hits out of four trips, to bat, though on one of the trips Hodge sunk the sphere into his anatomy. Cy Miller whacked the ball over the left field fence for a homer. For Holyoke McCormack led at bat with four safeties. The score:

Comfortable Feet.

A mistake in the selection of footwear entails greater trial of discomfort than one reckons possible, until the experience has been repeated two or three times. Then one grows cautious in buying shoes. It depends largely upon the intelligence of the salesman whether or not a customer selects the proper shoe and secures a proper fit. In some shoe stores little attention is paid to the requirements of the customer aside from the price he or she wishes to pay. In Meigs & Co.'s shoe section, however, it is a rule to assist the customer in the selection of footwear, and to be sure that the shoes selected fit properly at every point. The rule works out well, because Zenith shoes, the trademarked brand sold exclusively by Meigs & Co. provides a fit for every foot in all the newest styles and popular leathers. Thus it is that those who wear Zenith shoes never have any trouble with the fit of their shoes. Zenith Oxfords, now shown in a series of most attractive styles, fit snugly at the ankle, heel and instep and do not rub the heel. Every man and woman ought to wear Zenith Oxfords this season on this account alone, to say nothing of their unusually fine wearing qualities and superb style.
